1. PPL PARCEL CZ PRIVATE

Introductory provisions

These product terms and conditions ("**PTC**") of **PPL PARCEL CZ PRIVATE** represent the special arrangements for the delivery of shipments under the **PPL PARCEL CZ PRIVATE** service. These PTC are an integral part of the General Terms and Conditions ("**GTC**"). Should a conflict arise between these PTC and the GTC, the provisions of these PTC shall prevail.

Capitalised terms not defined in this PTC shall have the meaning given in the GTC.

Definition of the service – who is it for?

The service is intended only for entrepreneurs buying under their own ID number (hereinafter referred to as "**entrepreneurial individuals**") and legal entities.

Definition of the service – what can be delivered under the service?

Packages up to 31.5 kg, minimum dimensions of the Shipment 15 x 11 x 1 cm, maximum dimensions of the Shipment 120 x 60 x 60 cm and at the same time the sum of the circumference and length of the Shipment must not exceed 360 cm, in case of delivery to a collection point – the dimensions according to the General Information for PPL products apply, max. value of the shipment CZK 50,000

Definition of service – where can it be delivered?

Delivery only within the Czech Republic, when the Recipient is a private person

Definition of service – when will PPL deliver in its mode?

The Operator shall use reasonable efforts to deliver the shipment on time: Delivery from Monday to Friday. In the event of a significant increase in the number of shipments Delivery on Saturday, Sunday or a public holiday.

Delivery from 8:00 am to 6:00 pm.

The Operator will make one Delivery attempt to the Recipient's address, in the event of non-delivery the Shipment may be deposited at the nearest collection point.

The Sender is obliged to provide a Recipient's phone number and email address. The data will be used for the purpose of automatic notification of the Recipient upon delivery of the Shipment.

The Sender acknowledges that the provision of the PPL PARCEL CZ PRIVATE service is associated with a number of external factors, many of which are beyond the control of the operator, such as the traffic situation or weather conditions.

Definition of the service and by what means will Delivery take place?

- Delivery to the Recipient's address.
- Possibility of opting for the delivery to be left at one of the PPL network collection points (more information at <https://www.ppl.cz/en/what-are-pickup-points>).
- Possibility of changing the Delivery instructions online.
- Electronic Delivery Confirmation.
- Automatic notification of the Recipient, which includes email and SMS communication with information about the approximate time of Delivery within 2 hours.

Can be combined with the following additional services

- Cash on delivery from the Recipient by credit card, cash or online payment gateway. The maximum amount of the periodic payment is CZK 100,000. Payments by credit card and cash cannot be combined.
- After delivery of the Shipment, the COD amount is the Sender's claim against PPL, and PPL shall remit it within 7
- working days from the Delivery of the Shipment to the account specified by the Sender.
- The card payment fee is 1.4% of the total value of the cash on delivery. An additional fee

for payment by business credit card is charged to the Recipient by the card-issuing bank according to its terms and conditions. This fee is not a substitute for the payment of the daily fee, which will be charged according to the current Price List. The financial transfer for Shipments subject to COD is made by wire transfer, according to the settings in the customer card either individually, i.e. 1 Shipment = 1 payment order, or cumulatively, when 1 payment for all Shipments paid on the given transfer date goes out. If the Sender chooses bulk shipment, he/she is sent an email at the same time on the date of payment, in which the individual amounts paid are assigned to the numbers of individual shipments in 2 formats – .txt, .html.

- When sending shipments in a set, if the additional service of cash on delivery from the Recipient is added to one or more shipments (Combined Cash on Delivery), the correct data is required to provide the service. A link to a document describing the correct data settings is posted at: <https://www.ppl.cz/set-of-packages>. The Ordering Party hereby declares that he/she has read this document and is aware that he/she is obliged to provide PPL with the correct data information for the subject shipments; otherwise, PPL is not obliged to provide the service and is not liable for any errors caused by the Ordering Party's breach of this obligation. Support for implementing proper data exchange is available at ithelp@ppl.cz.
- Enhanced liability for the shipment, the price of enhanced liability for the shipment is based on the current Price List. The maximum value of the Shipment for transport is CZK 500,000.
- The maximum value of a Shipment submitted for transportation that contains valuables is CZK 150,000.
- Agecheck only offers to hand over a package to a person over a certain age. It is possible to choose between 15 or 18 years. At the time of the check, the Recipient will be asked to provide proof of identity (in particular an ID card, driving licence, passport). The driver records the last 4 characters of the document presented and its type in his/her application from the identity card in order to fulfil legal obligations. If the age of the Recipient does not correspond to the chosen service, or the Recipient refuses to provide proof of identity, the driver is entitled not to forward the shipment.
- Direct Addressing offers a price advantage for packages delivered directly to PPL's collection points.
- The recipient chooses Delivery directly to the PPL's collection point on the e-shop.
- Next Attempt Delivery to Address. In the event that the courier fails to reach the Recipient at the Delivery address, the shipment will be redelivered to the address on the next working day. The Recipient may change the place and date of Delivery.

Service Prices

The price of transport for the PPL PARCEL CZ PRIVATE service is based on the valid Price List. It consists of a freight charge, toll charge, fuel surcharge and VAT. Can be combined with the following additional services

- Cash on delivery from the Recipient in selected countries. For more information please visit www.ppl.cz Cash on delivery It is also possible to send shipments outside the Czech Republic, i.e. to Slovakia, Poland, Romania and Hungary

Slovakia – here you can declare both EUR and CZK currency.

In the case of a declaration in CZK, the conversion to EUR takes place according to the CSOB foreign exchange rate on the day of entry of the Shipment into the system and the withdrawal at the Recipient is in EUR. The sender is paid according to the declaration in CZK to an account held with a Czech bank.

In the case of a declaration in EUR, the amount to be collected and paid is in EUR. SEPA payments are used for the payment and in this case it is no longer necessary to have an account with a Slovak bank. The account can be held in any country that supports SEPA payments.

After Delivery of the Shipment, the COD amount is the Sender's claim against PPL, and PPL shall remit it within 10 working days of Delivery of the Shipment to the account specified by the Sender, see the rules above.

The maximum amount of the subsistence allowance for SK is the equivalent of CZK 80,000. Payments by credit card and cash cannot be combined.

Poland, Romania – here you can declare in PLN/RON and it is a condition to have an account opened in a Polish or Romanian bank.

Hungary has the option of declaring in HUF and transferring these funds to a bank account in the Czech Republic by conversion in CZK or to a Hungarian bank account in HUF.

After Delivery of the Shipment, the COD amount is the Sender's claim against PPL, and PPL shall remit it no later than 10 business days (15 business days in case of transfer from HUF to CZ account in CZK) after Delivery of the Shipment to the account specified by the Sender, see the rules above.

The maximum amount of the subsistence allowance for PL, HU, RO is the equivalent of CZK 35,000. Payments by credit card and cash cannot be combined.

The financial transfer for COD Shipments is made by wire transfer, according to the settings in the customer card, either individually – i.e. 1 Shipment = 1 payment order, or cumulatively, where 1 payment for all Shipments paid on a given transfer date goes out. If the Sender chooses bulk shipment, he/she is sent an email at the same time on the date of payment, in which the individual amounts paid are assigned to the numbers of individual shipments in 2 formats (.txt, .html).

The financial transfer for COD Shipments for PLN, RON, or HUF in CZK is carried out by wire transfer, always in one aggregate payment of the selected currency, where 1 payment for all Shipments paid on a given transfer date goes out. If the Sender chooses bulk shipment, he/she is sent an email at the same time on the date of payment, in which the individual amounts paid are assigned to the numbers of individual shipments in 2 formats (.txt, .html).
